PRESIDENT'S REPORT

OCTOBER 2026

We are now in the beginning of the Fall season, and this season heralds the ritual of the falling leaves. I want to make it very clear that we will not be cleaning the common grounds until the leaves are down which usually finishes by mid December. Waiting until most of the leaves are down saves this community a large amount of dollars. If we started cleaning common grounds now we would be repeating the clean-up four or five times or more. The leaves are mulched right on the common grounds insuring the needed nutrients remain keeping the trees and shrubs healthy. I would suggest you do the same with the leaves on your own property avoiding the need to remove your leaves more then once. If you do your own leaves you need to put them in brown paper bags and they go to the curb the week of 10/02 and 12/07, if you have brush or tree limbs they go to the curb the week of 11/02 for town pick up. Tree limbs have to be cut in four foot lengths. If you have a lawn service they must take the leaves or brush with them. Under no circumstance is there dumping leaves, brush or any other garbage on common grounds. If you are caught doing so you will be fined \$250.00.

As most of our resident's know we will only answer complaints that have been given to the office in writing and the office will make sure the Trustee responsible gets the paper work. Please make sure your complaint is valid as we have had several come in and there was no basis for the complaint.

Don't forget that Medicare has open enrollment this month. The Senior Center will go over your plans and answer any questions you may have starting October 15th but you must make an appointment.

The Senior Center is having a FREE farmer's market Thursday, October twenty-second (22). There will be produce farmers set up outside and after stopping at each table you will have a large bag of assorted produce to take home free. Don't miss this one.

Don't forget Saturday October 31st is our Bi-Annual meeting 10 am so come on out we'd love to see you.

Love riding through the village and seeing all the so spooky decorations.

Happy Halloween all.

Selling or renting your Home?

RULES & REGULATIONS

***The office must be notified 732-255-2221 of
homes to be sold by owners or through an
agency and of each tenant change.***

There is a \$2,000 initial fee per new homeowner each time a home is sold and a fee of \$500 if it is to be rented and each time there is a tenant change. New homeowners or renters must register with the organization within two weeks of the closing date of the purchase of a new home or from the date of the signing of the lease. Failure to do so will subject the owner to a fine of \$50 for each day of non-compliance. You may not rent your home for 2 years from the date of purchase!

Leaf / Brush Collection

The State Recycling Act prohibits the land filling of leaves. Leaves (not including grass clippings or yard waste) will be collected curbside in the spring and fall. The actual pickup dates for neighborhoods will be posted on the Toms River Township website, Recycle Coach and Facebook.

place leaves bags at curbside prior to the Monday of your designated leaf collection week. In the event that we are ahead of schedule, you may see leaf trucks in your area on an unscheduled week. Be assured that we will be back on your scheduled weeks.

FALL 2026 COLLECTION SCHEDULES

Beginning the week of October 12th, 2026, the Township will institute curbside pickup of shrub, tree trimmings & branches. Branches must be less than 4" in diameter; all material must be in lengths of 4' or less and weigh less than 50 lbs. **DO NOT BAG OR TIE ITEMS (if items are extremely small put in untied bags or 35 gallon garbage can)**. Put material to be picked up at the curb before 6:30 a.m. on October 12th. Collections will end on October 23rd

Throughout the year, residents can drop off brush/branches to the Township's Recycling Convenience Center. (location is 1672 Church Road – entrance is ¼ mile east of North Bay Avenue). You can also arrange for a delivery of either mulch/wood chips in 5 or 10 cubic yards quantities by calling 732-255-1000 extension 8101 or emailing DPW@tomsrivertownship.com.

LEAF COLLECTION SCHEDULE

The collection schedule is based on your recycling pickup day.

We come through each area of the township twice during fall leaf collection.

***** have leaf bags to curbside by 6:30 a.m. on the Monday of your collection week*****

If your recycling day is on a Monday...leaf pickup will be once during the weeks of Oct. 26th and Nov. 23rd

If your recycling day is on a Tuesday... leaf pickup will be once during the weeks of Oct. 26th and Nov. 30th

If your recycling day is on a Wednesday... leaf pickup will be once during the weeks of Nov. 2nd and Dec. 7th

If your recycling day is on a Thursday... leaf pickup will be once during the weeks of Nov. 9th and Dec. 14th

COMPOSTABLE BROWN PAPER BAGS

Taking into consideration the resounding success of last season's leaf collection, we now strongly recommend the use of compostable brown paper bags to all residents.

By using compostable brown paper bags everything placed curbside for leaf collection can now be recycled thus eliminating the use of any non-compostable items in leaf collection. This increases efficiency in collections, is overall better for the environment and helps keep Toms River Township clean. They are available locally at a variety of stores including: Home depot, Lowes, Costco, BJ's Wholesale, Walmart, Local Hardware stores, also online at Amazon.

[They are often labeled as 30 gallon paper compostable leaf and lawn bags]

You may still continue to use plastic bags for curbside leaf collections, the empty plastic bags will be discarded in the landfill as they have in the past. Currently plastic bags that are labeled biodegradable *are not being accepted* due to them being new to market, if placed curbside they will be emptied and discarded. This program will run throughout the fall, our trucks will be accessing what is placed curbside on a stop-to-stop basis

Leaves are not permitted in landfill

If you miss the curbside collection leaves must be brought to the Recycling Convenience Center

REMINDER: Wood chips and leaf mulch are available to residents at the Recycling Convenience Center.

October

October's the Month
When the smallest breeze
Gives us a shower
of autumn leaves.

Bonfires and pumpkins,
Leaves sailing down -
October is red
And golden and brown.

October leaves are lovely
They rustle when I run
Sometimes I make a heap
And jump in them for fun.

Autumn leaves float quietly down
And form a carpet on the ground
But when those leaves are stepped upon,
Listen for the crackling sound.
