President's Report November 2026

With the advent of November we are entering one of the busiest months of the year. We have a lot of events going on this month ending with Thanksgiving and let us not forget black Friday shopping to keep us busy.

As I have stated in past newsletters the common grounds will be cleaned after all leaves have come down and depending on the weather will be mulched and the common grounds cleaned of debris during that fall clean up. What comes down during the winter months, and does not directly compromise anyone's property will stay there till the spring clean up. This is totally more cost effective then running every time a branch falls. Also people who clean up their own leaves or have a service do it for them be warned! We do not allow anyone to blow leaves onto or down the storm drains. Everything in the storm drains wind up in the lakes. We spend \$15,000.00 plus dollars a year to keep the lakes healthy and garbage from the storm drains does not help the ecosystem so beware.

This is a subject I have written about on quite a few occasions and here I am writing about it again. I guess I have a hard time understanding why something as important as this topic is mostly ignored by most of the residents in Holiday City except for the few dedicated volunteers who come out week after week

every Friday night and donate several hours of their time to Bingo so all of us benefit by paying a \$25.00 a month in maintenance fees. **BINGO** is one of reason that sum is possible. Please give us a helping hand and call the office to volunteer.

Another topic written about over and over repeatedly is curbing your dog. Unfortunately many of our residents don't get it. Curbing is walking your dog in the street by the curb. This will insure your animal will not do its business on any resident's property. You wouldn't like it why should anyone else. You must also pick up after your dog. We have a problem especially down on Mt. Carmel by the lake. Be warned we have cameras there now if you are caught you will be fined.

Please remember November 3rd is election day and this mid term election more than any other in history needs your vote.

November 11th is Veterans Day so please support our troops and fly the American flag and remember this is also our 250th birthday and our flag should be flown with pride.

Wishing all our residents a very Happy Thanksgiving.

Selling or renting your Home?

RULES & REGULATIONS

***The office must be notified 732-255-2221 of
homes to be sold by owners or through an
agency and of each tenant change.***

There is a \$2,000 initial fee per new homeowner each time a home is sold and a fee of \$500 if it is to be rented and each time there is a tenant change. New homeowners or renters must register with the organization within two weeks of the closing date of the purchase of a new home or from the date of the signing of the lease. Failure to do so will subject the owner to a fine of \$50 for each day of non-compliance. You may not rent your home for 2 years from the date of purchase!

Leaf / Brush Collection

The State Recycling Act prohibits the land filling of leaves. Leaves (not including grass clippings or yard waste) will be collected curbside in the spring and fall. The actual pickup dates for neighborhoods will be posted on the Toms River Township website, Recycle Coach and Facebook.

place leaves bags at curbside prior to the Monday of your designated leaf collection week. In the event that we are ahead of schedule, you may see leaf trucks in your area on an unscheduled week. Be assured that we will be back on your scheduled weeks.

FALL 2026 COLLECTION SCHEDULES

Throughout the year, residents can drop off brush/branches to the Township's Recycling Convenience Center. (location is 1672 Church Road – entrance is ¼ mile east of North Bay Avenue). You can also arrange for a delivery of either mulch/wood chips in 5 or 10 cubic yards quantities by calling 732-255-1000 extension 8101 or emailing DPW@tomsrivertownship.com.

LEAF COLLECTION SCHEDULE

The collection schedule is based on your recycling pickup day.

We come through each area of the township twice during fall leaf collection.

***** have leaf bags to curbside by 6:30 a.m. on the Monday of your collection week*****

If your recycling day is on a Monday...leaf pickup will be once during the weeks of Oct. 26th and Nov. 23rd

If your recycling day is on a Tuesday... leaf pickup will be once during the weeks of Oct. 26th and Nov. 30th

If your recycling day is on a Wednesday... leaf pickup will be once during the weeks of Nov. 2nd and Dec. 7th

If your recycling day is on a Thursday... leaf pickup will be once during the weeks of Nov. 9th and Dec. 14th

COMPOSTABLE BROWN PAPER BAGS

Taking into consideration the resounding success of last season's leaf collection, we now strongly recommend the use of compostable brown paper bags to all residents.

By using compostable brown paper bags everything placed curbside for leaf collection can now be recycled thus eliminating the use of any non-compostable items in leaf collection. This increases efficiency in collections, is overall better for the environment and helps keep Toms River Township clean. They are available locally at a variety of stores including: Home depot, Lowes, Costco, BJ's Wholesale, Walmart, Local Hardware stores, also online at Amazon.

[They are often labeled as 30 gallon paper compostable leaf and lawn bags]

You may still continue to use plastic bags for curbside leaf collections, the empty plastic bags will be discarded in the landfill as they have in the past. Currently plastic bags that are labeled biodegradable are *not being accepted* due to them being new to market, if placed curbside they will be emptied and discarded. This program will run throughout the fall, our trucks will be accessing what is placed curbside on a stop-to-stop basis

Leaves are not permitted in landfill

If you miss the curbside collection leaves must be brought to the Recycling Convenience Center

REMINDER: Wood chips and leaf mulch are available to residents at the Recycling Convenience Center.

Open to all Phase 1 & 2 residents

Aerobic Angels

Why aerobics? It helps you get back in shape and can enhance your current workout routine. It is not "high impact" aerobics. Push yourself now and you will reap the benefits later. Sometimes working out with a friend or family member is a great way to boost your enthusiasm, and you can encourage each other. Remember, we are heading into our extra yummy holidays!

Please join us Mondays, Wednesdays, and Fridays from 9:30 to 10:15-10:30 at the Phase II Clubhouse. You can come for one, two, or all three days. On Mondays and Fridays we do chair aerobics, and on Wednesdays we do regular aerobic exercises.

What I love about
Thanksgiving is that it's
purely about getting together
with friends or family and
enjoying food. It's really for
everybody, and it doesn't
matter where you're from.

Thanksgiving Napkin Rings

Handcrafted napkin rings are the perfect final touch to uniquely adorn your holiday table!

Materials Needed

- Cardboard Tubes (toilet paper rolls, paper towel rolls, gift wrap, etc.), cut into 1 ½" sections.
- Felt, fabric, ribbon or twine to cover your cardboard tubes
- Embellishments to decorate your napkin rings – leaves, buttons, beads, faux flowers
- Craft glue or a hot glue gun (with adult supervision)
- Binder clips or paper clips (optional)

Instructions

Step 1: Cover your tube sections with your choice of materials. We used the items listed above, but paper, colored tape or paint would also work well. Binder clips or paper clips are handy for holding ends and edges while your glue dries.

Step 2: Embellish your napkin rings to match your Thanksgiving table. Heavier items may need to be glued on with a hot glue gun or stronger adhesive. Insert your napkins, and you're ready to show off your personalized holiday decorations!
